## Enter metadata information into the catalog two ways...

The screenshot shows the CEIC website interface. At the top, there are logos for CA.GOV, CALIFORNIA resources AGENCY, and CALIFORNIA ENVIRONMENTAL INFORMATION CLEARINGHOUSE. Navigation links include Home, Discover, and Contribute. The main content area presents two options for adding metadata. Option 1 is to use the Standard FGDC Metadata entry form, with a 'Continue' button. Option 2 is to upload a FGDC compliant XML dataset, which includes a text input field, a 'Browse...' button, and a 'Submit' button. A 'Cancel' button is also present. The footer contains links for 'Back to Top' and 'Contact Us', as well as 'Conditions of Use' and 'Privacy Policy'. Copyright information for 2007 State of California is also displayed.
